Subject: FW: Application for Review - Land North East of Duntrune House, Duntrune [BRO-D.FID5645426]
Importance: High

CONFIDENTIAL MESSAGE - INTENDED RECIPIENT ONLY

Karen, further to the procedure notice issued by DMRC, I attach an updated traffic survey report, detailing speeds and volume, together with an addendum to the Transportation Statement which assesses the updated information and sets out the position on behalf of the Applicant.

I have copied this email to the Council's planning and roads' teams as directed and understand that they have 14 days in which to provide comments thereon.

Regards

Elaine
