Schedule1 - Information on Council Tax & Business Rates Irrecoverable Bad Debt.

## **Information on Irrecoverable Bad Debt**

1. The Accounts of the Council for the financial year 2023/24 are being closed and will be audited in due course. At this point in each financial year a review is undertaken of the outstanding debt to identify debts that are deemed uncollectable.

The Director of Finance has approved under delegated authority that the values shown in the table below are deemed irrecoverable. In coming to this conclusion he is satisfied that all avenues of recovery have been exhausted. The figures shown below cover debts which span multiple financial years e.g. the Council Tax write off will cover a period of up to 30 years.

<b>Category of Debt</b>	<b>Value</b>
Council Tax	£413,657.77
Water & Sewerage Charges	£227,519.63
Business Rates	£94,413.91
Housing Benefit Overpayments	£113,962.62
Sales Ledger	£50,645.76

### **Reasons Irrecoverable**

	<b>Small Balance Under £5</b>	<b>£ Insolvent/ Sequestration</b>	<b>£ No Trace</b>	<b>£ Deceased</b>	<b>£ Irrecoverable</b>	<b>£ Prescribed</b>
Council Tax	122.90	106,215.44	161,680.93	32,341.20	113,297.30	0.00
Water & Sewerage	120.09	57,132.61	65,516.31	28,256.01	76,494.61	0.00
Business Rates		93,523.24	163.31	0.00	727.36	0.00
Housing Benefit Overpayments	254.62	11,949.02	192.96	31,310.65	3,516.14	66,739.23
Sales Ledger	0.00	0.00	235.40	4885.79	42482.51	3042.06

2. Whilst these values are significant, they require to be taken in the context of the gross charges levied and the Council's positive collection performance.

Irrecoverable debt is where all means of recovery have failed, and the debt has been through all of the Councils recovery cycle including reminders and summary warrants as well as all the actions available to the sheriff officer. This includes failed bank arrestment's where there are no or insufficient funds, no knowledge of bank a/c's to place arrestment, no knowledge of employer so can't place wage arrestment or wage arrestment failed as insufficient earnings, exceptional attachment orders not feasible as owner with mortgage and no equity so sequestration not worthwhile. The sheriff officers will not return a debt until all means of collection are exhausted as that means no income for them.

It has to be stressed that although these accounts are at this time deemed irrecoverable, should circumstances change every effort will be made to pursue any viable sums due.

There are two Council Tax accounts and three Business Rates accounts with a write off value greater than £10,000 and two Housing Benefit Overpayments and no Sales Ledger accounts with a write off value greater than £10,000.

Prescribed debt is debt that cannot be legally enforced as the debt is greater than five years old (20 years for Council Tax once a summary warrant is obtained).

### **3. Financial Implications**

- 3.1 Of the total irrecoverable Council Tax of £413,657.77 this relates to the Councils general fund and is within the non-collection provision identified in the Councils accounts and therefore is adequately provided for.
- 3.2 With regard to the Business Rates total of £94,413.91 it should be noted that under the 2009 Statement of Recommended Practice that Business Rates debt is not the debt of the Council and it merely acts as an agent for the Scottish Government, so no provision has to be provided for in the Councils accounts.
- 3.3 With regard to the Sales Ledger deemed irrecoverable these sums are within the provided non-collection provisions.
