Vibrant communities

Bi-Annual meeting tomorrow.

Voice training – a tool – to help community groups to plan engagement activities of the Angus Place Plan. Any constituted group can put a plan in place but has to run it passed Community Council - Deadline is place plan for December 2025.

Action: DAR to attend Bi-Annual Meeting, CC members to look at Angus Place Plan tool – Angus Council. Look out for training/learning together on Voice tool run by Angus Council in October.

Finance Report

Cheque received from Haven to Christmas Lights

Report received with thanks proposed by JD, seconded by PM

£390 Thistle Club cheque has not been banked since March

Action : PM to contact Thistle Club about cheque.

Planning

Housing Objection – we objected to density. However the plan had not had a full consultation – split into 37 – to 39 , and 15 to 17. Phasing construction and so still separate. The construction have included flats and bigger designed houses. They have also listened on flooding but need consideration on drainage. We are against SUDS and not a green open space.

2nd development to Golf Hotel = no raising no objections to the front of the hotel.

Community Benefit Fund

Chris Clark was nominated to take over the role on the Seagreen Community Benefit Fund. Our thanks are recorded for Lesley Marr and her time on the committee.

Barry

Community group have a new constitution and sent it to Scottish Land Team for approval before the next step which is to register as a charity with OSCR. Angus Council Vibrant Communities Team and Angus Rural Partnership helped the group put information together.

Next meeting a week Sunday.

Membership
